But you still can't use them at all, can you...
Fufufu, how naive of you... Even I took a long time to master chop-sticks!
They have forks here too!

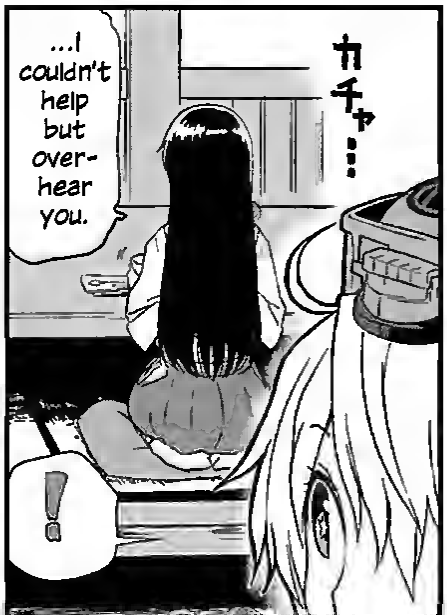
Yeah... I miss the portions we got home in America...
Oh my... You must be confident to brush aside my homeland, the country of gourmet food, Italy!
Well... Japanese food is quite good, but the cuisine of the Fatherland is second to none!

Very good idea! I want to try your countries' foods too!
WOW!
...Interesting. I'll take you upon that challenge!
Hah! Then how about we have a little international cooking competition?

It's Akagi!!
This competition... As a Japanese ship, I'll take on the role of an impartial judge!



...I couldn't help but overhear you.

...And yet you were the one that challenged me to this competition...
She's the one that does all the cooking. I'm only here to observe!
Why do the Germans get two cooks? How cowardly.
Excellent use of that knife, Prinz!

Fast! As one would expect from the country of fast food!
Finish! I'm done here ~!

Well then... Thanks for the burger!

What a generic evaluation ...!!
It's good ~!!
This... This is...!
Whatever you think of her, she's 1st CarDiv... There's way she'll be satisfied with mere junk food...
Is she easier to impress than we thought!?
It's so filling and delicious, Iowa-san!!
YEAH!
Go ahead and enjoy the essence of the country of pasta!
While you were all standing around, I finished my dish as well!

Uhm... The noodles had a good texture, and this smell... Brazil?
Akagi... Could you be a bit more specific?
Ba-sil!

It's good...!

German specialty: Nürnberger Bratwurst!
Gut! Well done, Prinz!

We're done here too ～!

This fragrance... This one's good too...!
...She's just calling them all "good"...!

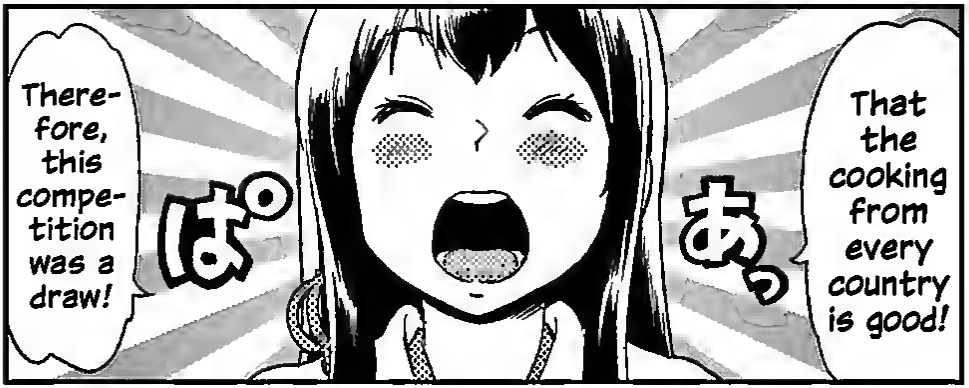
GULP...
My decision is...
Phew...
Thank you all for the meal! Now I will make my decision.



Therefore, this competition was a draw!

That the cooking from every country is good!

It's not my fault! They really were good... How about you all try and see for yourselves?

What was the point if nobody won!?

Looks like we made a mistake with the judge...!
But still... She really looked like she liked all of them!

Warspite-san... To be honest, I've grown interested in British cuisine...
She had developed an appetite.
The next day...
Hallo!
Hello, Akagi. What is it?

Looks like we'll make good friends!
Well done, you all!
Good job!
Fufufu... Good food really does transcend borders...
